

Yuma Palms Regional Center – Centered in the Community

Inland Continental Property Management Corp has announced the creation of a Yuma Palms Regional Center Community Fund.

Each month Yuma Palms Regional Center will give back to the community through the Community Fund. The Community Fund is a \$50 donation in the form of one or more Yuma Palms Regional Center gift cards that the nonprofit recipient may use in any way that assists their nonprofit organization, i.e. auction item, raffle item, door prize, gift to volunteers, etc.

Nonprofits requesting a donation will access an application via the Yuma Palms website. The application (see attached) will be available in Adobe format and can be downloaded for submission via a link on the Community Fund web page. The request must be submitted two months prior to the date the card is needed. Once the form is completed and submitted, all applications will be considered at the end of each month. All applicants will be contacted after an organization is chosen, whether or not they are awarded the \$50 donation.

An organization may submit requests three times a year but may only receive an award once per calendar year.

In difficult times, Yuma Palms Regional Center appreciates its place in the community and has established a means to provide a level of support to those Yuma organizations who can then benefit from the partnership.

Please visit www.shopyumapalms.com or contact the shopping center Management Office at 928-329-4559 for more information.
